### Johnny's Monkey Speaks

Johnny has a monkey.  
Johnny's monkey really copies him a lot.  
Johnny laughs, the monkey usually laughs too.  
Johnny cries, the monkey usually cries too.  
Johnny eats, the monkey usually eats too.  
Johnny sleeps, the monkey usually sleeps too.  
The monkey really copies Johnny.  
Like Johnny trips and falls down.  
The monkey copies Johnny and falls down too.  
Johnny goes to his Granpa's house.  
"My Grandpa," says Johnny so his grandpa is happy.  
but then, the monkey says, "My Grandpa" as well.
